

Sunshine Solutions

Job Description

At Sunshine Solutions we pride ourselves on a friendly and professional service for our clients.

Your role will be to:

- Assist our clients with their morning/evening/toileting routine. Including washing, dressing, toileting needs (ie changing pads and dealing with catheter care), making beds, opening blinds and curtains.
- Assisting with meal preparation. This will include microwave meals, sandwiches, light meals, grilled baked and fried meals. You will also be required to make hot and cold drinks as required. On meal calls you also be required to wash and dry the dishes. At all times you must leave the premises as you find them.
- Assisting with shopping, pension and prescription collections. You must fill in all documentation in the care plan and get it signed by the client. This is not only for your protection but the clients as well.
- Assisting with client's medication. This will include prompting and assisting with the medication. You must at all times follow the procedures set out in the medication policy. You must NOT do anything other than prompt until you have completed your medication training.
- Assist with the client's domestic tasks if required. These will include housework, laundry and ironing. You must not do anything that requires you to stand on anything to reach it.

You must at all times treat our clients with respect and dignity and remain professional at all times.
